Profhilo

NON-SURGICAL

A bio-remodelling treatment rather than a filler. Ultra-pure hyaluronic acid hydrates the skin and stimulates collagen and elastin, improving tone, texture and firmness without adding volume or changing your face shape.

COURSE	SPACING	FULL EFFECT	MAINTENANCE
2 sessions	4 weeks apart	4 to 8 weeks	Every 6 months

Good for

- Face, neck and hands
- Fine lines and crepey texture
- Adults of all ages, from prevention to mature skin

What to expect

- Five injection points on each side of the face
- Minimal discomfort; numbing cream if you prefer
- Hydration often noticed within days
- Works well with anti-wrinkle, fillers and Morpheus8

Prices

1 session	£350
2 sessions	£650
3 sessions	£950
Profhilo body	£700

Mesotherapy

NON-SURGICAL

Shallow microinjections deliver a tailored blend of vitamins, antioxidants and hyaluronic acid into the skin's middle layer, improving hydration, tone and radiance from within.

COURSE	SPACING	MAINTENANCE	DOWNTIME
3 to 6 sessions	2 to 4 weeks	Every 3 to 6 months	Minimal

Good for

- Dull, dehydrated or tired-looking skin
- Fine lines, uneven tone and lost radiance
- Face, neck, décolletage and hands

What to expect

- Very superficial injections; numbing cream available
- Small marks or mild redness for a few hours
- Avoid heavy make-up and direct sun for 24 hours
- Results build with each session

Prices

Hydrobooster, per session	£250

Morpheus8

NON-SURGICAL

Radiofrequency energy delivered through microneedles heats the deeper layers of the skin, contracting tissue and stimulating collagen and elastin to tighten and renew the skin over time.

SESSIONS	SPACING	RESULTS	DOWNTIME
Usually 1 to 3	4 to 6 weeks	Build for 3 months	Back to work next day

Good for

- Face, neck and jawline; abdomen, thighs and arms
- Fine lines, acne scarring, stretch marks and laxity
- All skin types, including darker skin tones

What to expect

- Numbing cream 30 to 45 minutes before
- A warm, prickling sensation
- Mild redness and swelling for 2 to 3 days
- Avoid sun and use SPF for at least a week

Prices

Face and neck	£650
Eyes, nose, delicate areas	£650
Acne scarring	£650
Décolletage or knees	£850
Body	£900

3-session packages: £1,500 (face, eyes, acne), £2,100 (décolletage or knees), £2,250 (body).

Dermaroller *microneedling*

NON-SURGICAL

Fine, sterile needles create controlled micro-injuries that trigger your skin's natural healing, stimulating collagen and elastin. Also known as collagen induction therapy.

COURSE	SPACING	REDNESS	DOWNTIME
3 to 6 sessions	4 to 6 weeks	24 to 48 hours	Back to work next day

Good for

- Acne scars and stretch marks
- Enlarged pores
- Texture, tone and firmness; all skin types

What to expect

- Numbing cream 30 minutes before
- A mild scratching or vibrating feeling
- Redness like a light sunburn for 1 to 2 days
- Avoid sun, heavy make-up and active skincare for 48 hours

Prices

Full face, 1 session	£200
Full face, 3 sessions	£500

PRP *Vampire Facial*

NON-SURGICAL

A regenerative treatment using your own blood. Platelets are concentrated from a small sample and applied with microneedling or injection, releasing growth factors that support renewal and collagen.

COURSE	RADIANCE	FULL EFFECT	REDNESS
3 sessions	1 to 2 weeks	4 to 6 weeks	24 to 48 hours

Good for

- Skin texture, fine lines and tone
- All skin types and tones
- Anyone wanting a treatment with no synthetic products

What to expect

- Numbing cream first; mild prickling
- Minimal discomfort from the blood draw
- Back to normal the next day
- Avoid sun and heavy make-up for 24 hours

Prices

1 session	£500
2 sessions	£800

Maintenance every 6 to 12 months.

Acne scar *treatment*

NON-SURGICAL

Doctor-led skin resurfacing to smooth ice-pick, boxcar, rolling and hypertrophic scars, using Morpheus8, microneedling with PRP, or a combination with chemical peels.

COURSE	SPACING	FIRST CHANGES	TYPICAL RESULT
3 to 6 sessions	4 to 6 weeks	4 to 6 weeks	50 to 80% better

Good for

- Moderate to severe scarring on cheeks, jaw and temples
- Depressed scars that need gradual smoothing
- Patients whose active acne is under control

What to expect

- Numbing cream before every treatment
- Discomfort settles quickly
- Progress continues over 3 to 6 months
- Complete removal is rarely possible; we set honest expectations

Prices

Morpheus8, acne scarring	£650
Morpheus8, 3 sessions	£1,500
Microneedling	from £200
PRP	from £500

Dark circles *treatment*

NON-SURGICAL

We treat the cause, whether that is volume loss, thin skin, pigmentation or poor circulation, using tear trough filler, PRP under-eye rejuvenation or brightening mesotherapy.

TEAR TROUGH	FILLER LASTS	PRP OR MESO	BACK TO WORK
1 session	9 to 12 months	Usually 3 sessions	1 to 2 days

Good for

- Hollows and shadowing under the eyes
- Thin skin and discolouration
- Tired-looking eyes

What to expect

- A plan based on what is causing your circles
- Mild swelling or bruising for 2 to 5 days
- All tear trough treatments are doctor-administered
- Maintenance helps sustain results

Prices

Per session	£250

Hair loss *therapy*

NON-SURGICAL

Doctor-led PRP and scalp mesotherapy for men and women with thinning hair, starting with a scalp assessment and, where helpful, blood tests to find underlying factors.

SESSION	COURSE	EARLY SIGNS	FULL RESULTS
30 to 45 minutes	4 to 6 sessions	After 2 to 3 sessions	6 to 12 months

Good for

- Men and women with thinning hair
- Female pattern, post-partum and stress-related thinning
- Alongside minoxidil or prescribed medication

What to expect

- Numbing cream on the scalp first
- Mildly uncomfortable but very tolerable
- Sessions spaced 4 weeks apart
- Maintenance every 3 to 6 months

Prices

PRP, 3-session package	£1,300

SURGICAL TREATMENTS

Minor skin *surgery*

Moles, cysts, skin tags and lipomas

CONSULTANT PLASTIC SURGEON

Expert removal of benign skin lesions that cause discomfort, concern or cosmetic worry, including moles that have changed in appearance. All minor skin surgery is performed by Miss Roba Khundkar, Consultant Plastic Surgeon.

ANAESTHETIC	LAB TESTING	STITCHES OUT	RECOVERY
Local, you stay awake	Results in about 2 weeks	7 to 14 days	Normal activities straight away

How it works

- Excision or shave techniques, depending on the lesion
- Done in clinic, with no hospital admission
- Every removed tissue sample is sent for histology

Healing and scarring

- Some scarring is expected after any removal
- Incisions follow natural skin lines to minimise it
- Scars usually fade a lot over 6 to 12 months

Prices

Plastic surgeon consultation	£120
Shave excision	£450
Moles, cysts, lesions	from £600
Extra lesion, same visit	£300
